

CAKES AND BISCUITS

- **Representation.**
diagrammatically, feelingly.

Representations are mimics. The object mimics, and echoes to become a representation and then it lies to you about who it mimics.

Do they contain the essence? Stupid question.

[Antonyms: .] objects, dreams, pictorial representation.
representation, representment; imitation ; illustration, delineation, iconography;
[impersonation; drama .]
*re: to look at a submarine in winter seas
and feel coldness.*

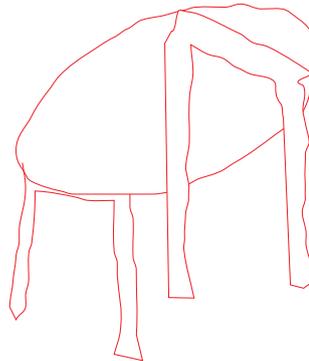

- **Copy**
Picture. Drawing myself as I look
striking likeness, effigy, facsimile.
hieroglyphic,
map,
assume a character;
affordingly make things easier to handle.

- **Misrepresentation.**
&MASKS

table to 'table' 5 letters in one, and four legs in the other.
misrepresentation, distortion, exaggeration; caricature; anamorphosis, falsification, misstatement;
misrepresent, distort, overdraw, exaggerate, caricature,

- Sometimes what you see isn't what you get.
- What is mimicry?
- Does it apply to me? Am I aware of its implications? Derivative Asian cultures. Or so it has been called

Have eggs at room temperature to get maximum volume.
